MICHIGAN Department of Education

FY26 Section 31a

Annual District Transparency Report

Atlanta Community Schools

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?

   $367,341.45

2. Describe the district's methodology and decision-making for distributing Section 31a At-risk grant funds to target the buildings with the highest needs.

   We are a single building Title I district. We use data such as Early Warning Indicators, benchmark assessments, district assessments, etc. to determine our greatest needs. We also spread a portion of the funding K-12 to support SEL.

3. What evidence-based interventions and services were implemented with the Section 31a At-risk grant funds during the 2025-26 grant cycle?

   We implemented evidence-based SEL programs K-12. We also use Orton Gillingham and AVMR as interventions.

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

   We discuss these programs at our PAC (Parent Advisory Committee) meetings. We also do annual parent perception surveys. These programs are also presented to parents at our two Parent Teacher Conferences.

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

   Parents can provide feedback through our annual survey, during open house and at PAC meetings. Parents can also provide feedback at Parent Teacher Conferences and by contacting the district's principal at anytime.
